Muko Sliding Door TV Unit
180cm/ 210cm

① Cabinet Body ×1

② Glass Shelf ×1

③ Left Door Panel×1

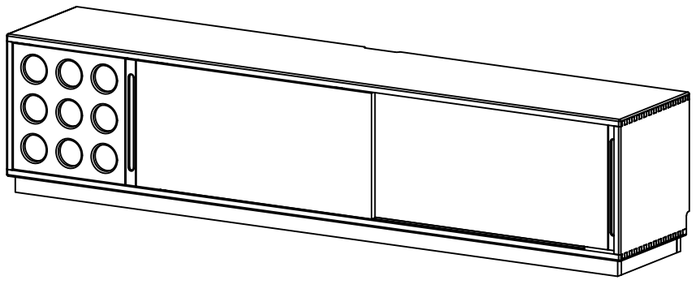

④ Right Door Panel ×1

⑤ Shelf Bracket×1

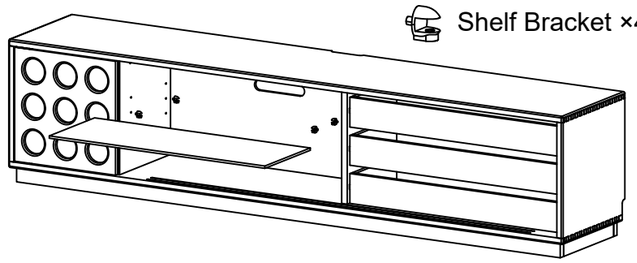

⑥ Hex Key

Before installation, lay cardboard or protective padding on the floor to protect the furniture and flooring.

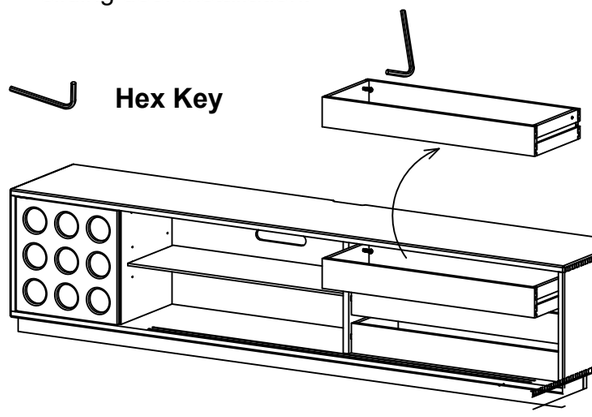

Step1:

Insert the shelf bracket, then place the glass shelf.

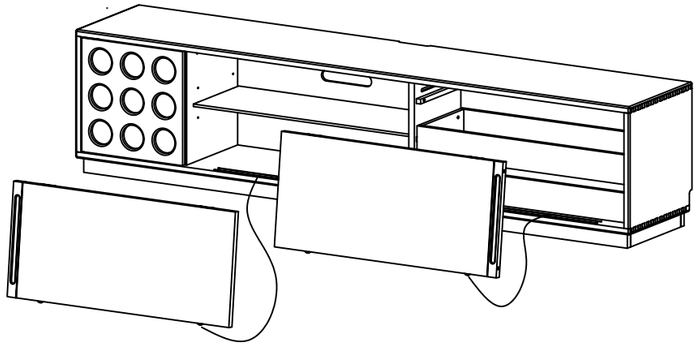

Step2:

Remove the right top drawer with hex key to facilitate sliding door installation.

Step 3:

Place the sliding door's bottom roller into the corresponding track, then press the brass-coloured inner button to lock it in place.

Step 4:

Reinstall the top drawer and tighten the screws to complete the assembly.
